## ***Don't Have Kids? Volunteer to Play Santa or Mrs. Claus***

*Don't look much like the jolly bearded one or his wife? That's okay as long as you can impersonate their voices. Make a child's (and his or her parents') day by volunteering to call. We are looking for volunteers to make phone calls to children on December 20-22, from 5-8 p.m. All calls can be made from the comfort of your own office or home. An example script will be provided along with information forms on each child.*

**To volunteer, please contact:**

Checks are payable to **LAKC Foundation**, a 501(c)(3) organization. Lawyers Association of Kansas City (LAKC) was founded in 1935 to promote and advance the following objectives that are just as relevant today: the welfare of the public in the greater Kansas City Community; the administration of justice; the science of jurisprudence; and the cordial and professional relations among the members of the greater Kansas City Bar. The Young Lawyers' Section of LAKC is comprised of members under 35 or who have graduated from law school within the past five years and maintains "Service of the Public Interest by advancing the role of the legal profession in serving the public" as one of its four cornerstones.
